

Retirement doesn't have to mean the end of your career.

ACSA's Interim Administrative Positions program can keep you in touch with temporary and part-time employment opportunities in California schools and districts.

The Interim Administrative Positions program is operated as a service both to you, as a retired school administrator, and to schools and districts seeking professional help on a temporary or part-time basis.

ACSA matches requests from schools or districts with the names, qualifications and geographic locations of retirees. Contracts for employment are then negotiated directly between the retiree and the institution.

If you would like to be part of ACSA's Interim Administrative Positions program, just complete the form on the reverse side of this panel and return it to ACSA.
