Five Good Reasons to Advertise:

1. **Circulation**
   Leadership magazine is mailed directly to these California leaders:
   - More than 90 percent of all superintendents, assistant superintendents and business managers.
   - Three quarters of all principals, assistant principals and other school leaders, including school business administrators, curriculum directors, personnel administrators, food service and transportation managers, facilities planners, and more.
   - State Department of Education officials, school board members, legislators and other state officials.

2. **Readership**
   Leadership reaches more than 50,000 educators. Readers pass along their issues of the magazine to at least two colleagues, board members, teachers or other staff members, according to readership surveys. Online access to the magazine provides additional visibility.

3. **Purchasing power**
   California school administrators are the leaders who make purchasing decisions about the $50 billion worth of products and services their schools and districts need each year.

4. **Editorial purpose**
   Since 1971, Leadership has been respected by school administrators and other education experts as the source of valuable research reports, case studies, “how-to” articles and editorials on topics important to their day-to-day job activities. Topics typically covered in the magazine include curriculum, technology, professional learning, closing the achievement gap, school finance, assessment, teaching and learning, school safety, instructional leadership and school reform.

5. **Quality content**
   As the winner of several national awards, Leadership magazine is recognized as a leading publication for education’s key decision-makers. Surveys show that ACSA members find Leadership magazine does an excellent job of keeping members informed on education issues and best practices, and is one of the most important benefits provided by the Association. Leadership magazine provides an excellent forum for school leaders to share their successes and keep current on vital education issues.
